We Gather . . . . . .

AT NAPPANEE HIGH WE GATHER . . . . . SOME OF US RIDE BIKES . . . . . OTHERS WALK . . . . . A FEW COME BY BUS . . . . . AND A FEW HAVE GAS ENOUGH TO DRIVE . . . . . WE GATHER FOR ONE PURPOSE . . . . . EDUCATION. EDUCATION FOR TODAY'S PROBLEMS AND EDUCATION TO PREPARE US FOR TOMORROW'S POSTWAR PROBLEMS.

NAPPANEE HIGH SCHOOL

NAPPANEE, INDIANA

"Through rain, snow and heat!"

"Hmmmmmm. Another excuse?"

"Well, they still run—or do they?"

The 1945 Napanet

THE CLOUDS OF WAR ARE BEGINNING TO DISPERSE . . . . . THE BLUE SKY OF PEACE IS PEEPING THROUGH . . . . . AND WITH THE COMING OF PEACE WE ARE CONFRONTED BY NEW PROBLEMS . . . . . PROBLEMS OF OUR PART IN MAINTAINING PEACE AND OF EARNING A LIVING IN THE POSTWAR WORLD. WE HAVE GATHERED AT NAPPANEE HIGH TO LEARN HOW TO MEET THESE DIFFICULTIES. OUR PREPARATION IS SHOWN IN THIS . . .

THE 1945

NAPANET

HERE STANDS NAPPANEE HIGH SCHOOL. STAUNCH AND SOLID IT HAS STOOD. THROUGH SUNSHINE AND STORM IT HAS REMAINED A SYMBOL OF CIVILIZATION'S ETERNAL STRUGGLE AGAINST IGNORANCE. ONLY THROUGH EDUCATION CAN OUR NATION MAINTAIN ITS FREEDOM. ONLY THROUGH SCHOOLS SUCH AS THIS CAN WE SECURE THAT EDUCATION.

A TRIBUTE TO THOSE IN SERVICE

We, the class of 1945, wish to extend our gratitude and respect to the graduates of Nappanee High School who are serving and have served in our Armed Forces. As we write this tribute there are over 270 names on the honor roll in the assembly. There are 7 gold stars designating those of you who have paid the supreme sacrifice. Many of you have received various awards and medals as tokens of appreciation for the sacrifices you have made. We can only say, "thank you" in our small way. Before the war is over many of the boys and girls from our own class will be in the Service with you.

Until peace, our thoughts and prayers are ever for you and your safe return.

We, the class of 1945, pause in our activities to pay tribute to a group of unsung heroes. These heroes are the teachers and school officials who have guided us through twelve years of training. Year after year, they pursue their unpretentious way, expecting little credit and receiving even less. Yet, theirs is the sacred responsibility of molding and shaping the minds of youth.

Often we have misunderstood each other, which perhaps was a good thing, for in ironing out these difficulties we have come to have a closer bond of mutual understanding. Now, as we pass from these halls of learning to take our places in the adult world, we say "hats off" to you, our faculty.

The old science lab bellowed smoke and stench again this year after a year's vacation. We enjoyed a new teacher—Mr. Townsend.

Nothing can be more worthwhile than the teaching of Christianity in our schools. This year, for the first time. Mrs. Bowman extended her Bible classes to include the seventh and eighth grades. Her work must be commended indeed.

Every day, from 1:55 to 2:50 Miss Barnard and her wild pupils overran the art room to pursue the elusive study of public speaking. However, we learned a lot and had fun as well.

The shop class this year offered metal work as well as woodworking. With Mr. Byers supervising, a thorough course in manual training was given.

DIPLOMA HOUR

There are forty-three students in the class of 1945. Twenty-two are girls and twenty-one are boys. The valedictorian is Paul Bourne; the salutatorian is Roberta Hively. During the past twenty-two years the valedictorian has been a boy seven times; the salutatorian has been a girl twelve times. Rev. Richard S. Reilly is awarded a diploma with the class of 1945. Most of his work was done in other schools. Since the high school was organized in 1894, there have been a total of 1527 graduates. Since 1925 the general average of every graduate has been calculated to three decimal places, and his rank in his class determined and made a matter of permanent record.

Twelve years ago sixty-five children were enrolled in the first grade. Of these sixty-five, twenty-eight are on the platform tonight. Three are still undergraduates, twenty have moved from our city, nine have dropped out, three are in the service, and one is in college. Much as these 65 are scattered, in one instance five, and in another instance six, senior names appear in the same consecutive order as in their first grade register. To the twenty-eight now graduating, who were in the original class of 1933, fifteen others have been added: one entered school in 1932, six entered the class in grades two to eight, five entered as freshmen and three as seniors.

The following have excelled in attendance: seven have missed less than ten days. Those who have missed less than five days up to April 3 are: Keith Miller, 0; Dorothy Sheets, 1 1/3; Roy Pfeiffer 4½; Roberta Hively, 4 5/6. Keith Miller is the only graduate with a perfect record of attendance.

The average age of the boys is 17 years 11 months and 4 days. The average age of the girls is 17 years 11 months and 29 days. Only one former class of boys (1929)was younger than this group. The average age of boys in the class of 1929 was 17 years 10 months and 15 days.

Birthdays are evenly distributed, although January with five is high and October with two is low. There are twins on Inauguration Day, March 4, June 10, and July 12. One boy was born Dec. 31, 1926, and another Jan. 1, 1927—in different years but one day apart. Birthdays are well scattered throughout the months, but 21st, 20th, 10th and 1st are most numerous. Carol Pletcher is the baby of the class. Her age is 17 years 2 months and 21 days. The second youngest is Lois Metzler, who is 1 month and 10 days older than Carol.

THE PROPHECY

A Prophecy is quite a strange thing,
You never know just what life will bring.
It's hard to tell where you may be
In '47, or in '63.
Well, your guess is as good as mine,
So here is the story written in rhyme.
Max B. is the coach at Nappanee.
He's been coach there since '53.
Patricia's an artist and has made quite a name,
With her famous paintings in the great "Hall of Fame."
Chuck Stump has gone east, he's a diplomat,
Now who would have thought he'd come to that?
Martha Miller's an author and has written some books,
Remember her pranks, then her innocent looks?
Guess who is now on the radio?
It's Sally, she has her own style show.
Jay Holaway has a grocery store
His motto is: "Stop here and you will get more!"
Virginia J. has a musical career
She was voted the best woman singer this year.
Booney has left us, he's in Hollywood,
I guess *we* decided that he really should
Go on to the stage; has he been a success?
By the looks of his fan mail I'd surely say yes!
Juanita has gone to Washington
She ran for the Senate and really won.
Leroy has his own photoshop,
In the photography game he's gone to the top.
Dale is a mechanical engineer,
(He's worked for the president, I hear.)
June has her own special hamburger shop,
If you're near by, just drive in and stop.
Gutch has retired after a lifetime of fame,
The "Second Knute Rockne" is his new name,
For after he left us at fair Nappanee
He changed to football and made history.
John Sechrist, now this is quite a surprise,
Invented a lotion to kill bugs and flies.
Ken Middaugh is in the carpenter trade,
The book-ends he makes are the finest yet made.
Carol's become the "Woman in White,"
Yes, I know she has *patients* all right!
Paul is a surgeon, one of the best,

WHAT YOU WILL BE!

So you'll be in good hands if you go there to rest.
Roger is making a tour of the nations,
While Lucile, a designer, draws new creations.
Bette and Evadean have gone from us here,
For they live in Bremen throughout the year.
Doug's a cartoonist, and I'm sure you have seen
His work appear often in a magazine.
John Price has a bakery on the Main Street,
If those cakes taste like they look, What a treat!
Bette Postma is a famous model for Powers,
I know that's hard work, for she poses for hours.
Bob Lloyd owns an airport, and also some ships,
So if you're traveling, see him for your trips.
Roy Pfeiffer designed, now this may be a shock,
A wonderful thing—it's a two-faced clock!
Ferne has a beauty shop in Elkhart,
Phyllis P. and Norma help do their part,
So if you want beauty, that is the place.
They can make your hair "purty," if not your face.
Russel now has a streamlined bus,
His famous saying is, "Ride Safe With Russ."
Roberta's a reporter. She works for "The Sun,"
And the write-ups she writes, are the best ever done.
Joan now is known as the new "Dorothy Dix."
And Wayne is in radio, he stars as "Tom Mix."
Phyllis O. is a dancer featured on Broadway,
She was always good, and say by the way,
Did you know George was an admiral far out on the blue?
I never dreamed that would happen, did you?
Jerry writes kid's books and you should see
His latest "Goofy Gopher" and "Silly Susie."
Keith is a plumber and he really knows
How to fix that faucet and where each pipe goes.
Dorothy is married and lives on a farm,
And Gwendolyn's vocalist on "The Hour of Charm."
Bette N. has found what singers need,
To sing like a bird, just eat bird seed!
Bette Davis still has her sweet personality,
And we've come to the end of this crazy prophecy.
Will these things come true ??????
Well, just wait and see !!!!

Lois Metzler.

JUNIORS

President ..... Dean Guard
Vice-President ..... Phyllis Guard
Secretary ..... Rose Marie Hartman

We, the Class of '46, intend to leave our mark in the world. Not a chalk mark; it will be greater than that. It will be a dent.
The biggest of all the marks will be—well, let's travel to our capitol city and we shall observe the greatest politicians of all time.

At the head of things is none other than the class politician (and Democrat) Dean Guard, who presides as our President. Under him is our very faithful Secretary of State, alias Vice-President, Phyllis Guard. We have as our Secretary of the Treasury, Rose Hartman, who does an excellent job with our national debts.

We have, awaiting to give advice and assistance, our sponsors, Mr. Postma and Mr. Holoway.

SOPHOMORES

President ..... Jack Milleman
Vice-President ..... Phyllis Mellinger
Secretary ..... Nancy Uline

We, the Sophomore class, began our march this year with 58 members. At the first of the year we held an election. As captain we chose Jack Milleman. Phyllis Mellinger was selected to assist him. To keep an account of our journey and expenses Nancy Uline remained as secretary. As council members we chose Pegge Lloyd, Mary Katherine Hartman, Arthur Schwartz, and Owen Lemna. Miss Blank and Mr. White remained as our advisors. On our march we have attended strictly to business, not holding any parties during the entire year.

We were all saddened by the death of Mr. Charles Welty, the father of one of our classmates.

Everyone in our class is eagerly looking forward to his Junior year. All of us hope to make it a successful adventure.

STUDENT COUNCIL

President ..... Paul Bourne
Vice-Pres. ..... Roberta Hively
Secretary ..... Carol Pletcher

Always an active organization, the Student Council again experienced a busy year. We met every other Thursday after school. Under the guiding hand of Mr. Roose, problems were presented and solutions were discussed. Various improvements in school procedure were inaugurated.

Our outstanding project which we undertook was the sale of war bonds and stamps. On Dec. 5 we held a successful bond rally in the assembly. We sold $3,200 worth of bonds and stamps and were presented with a Minute-man flag because over ninety per cent of the school participated.

Membership in the Student Council is made up of all members of the National Honor Society and two representatives from each home room.

NATIONAL HONOR SOCIETY

President ..... Paul Bourne
Secretary ..... Roberta Hively

The National Honor Society was organized in 1921. The charter of the Society was first granted to the Nappanee High School on March 25, 1936. It is composed of pupils who stand in the highest fifteen per cent of the Senior Class and five per cent of the Junior Class. The purpose of the society is to create enthusiasm for scholarship, to stimulate a desire to render service, to promote leadership, and to develop character.

Each year the society has a special project. Since the large honor roll in the assembly was purchased the duty of the society has been to keep up-to-date the names of the men and women who have graduated from Nappanee High School and who are now in the service of our country.

The Journalism Club under the sponsorship of Miss Barnard was founded last year. This was the first successful attempt to organize such a club. The purpose of this club is to publish the school newspaper. D'Bulldog, once a month and to make the school more conscious of its activities.

The Journalism Club offers experience to its members and is an extra-curricular activity which has proved its ability to create more unity among Nappanee's student body.

D'Bulldog is put out entirely by the members of this club. It strives to please all by its many articles concerning student views. The paper has been a huge success again this year under the capable leadership of our editors and our sponsor.

F. F. A.

President ..... George Flowers
Vice-President ..... Robert Hoffer
Secretary ..... Paul Lehman

The Future Farmers started the year with nine members. Later it was increased by the addition of ten "Green Hands." During the year one old and one new member dropped out.

A pest killing contest was held in the district. We participated and divided the members into two teams with Bob Hoffer and George Flowers as captains. Bob Hoffer's team won. George Malcolm was the high point man.

Dallas Burkholder. a junior, won his honor sweater. Many of the boys bought F.F.A. jackets, emblems and pins.

Other events of the year included a father and son banquet held on March 9, and a play presented at the Farmers Institute entitled "Not On The Minutes."

—George Byers.

H I — Y

President ..... Paul Bourne
Vice-President ..... Dale Gwin
Secretary ..... John Thompson
Treasurer ..... Jay Holaway

The purpose of the Hi-Y Club is to create, maintain, and extend throughout the school and community, high standards of Christian character.

Since a state decree forbids the rough initiation of new members, the serious initiation held at the United Brethren Church had double significance. Eighteen new members joined, boosting our membership to forty-seven.

The Hi-Y held a Father and Son Banquet at the First Brethren Church on October 9. We went swimming at the Elkhart Y.M.C.A. twice and on January 20 we sponsored a dime line for infantile paralysis that took in over fifty dollars.

All in all, the club enjoyed a successful year that is characteristic of Nappanee Hi-Y Clubs.

—Paul Bourne.

This year marks the twentieth year for the Girl Reserves in NHS. The first club was organized in 1925 with twenty-five members. Now, twenty years later we have more than doubled that and have a membership of sixty.

This year we became a registered member of the National Board of the Young Women's Christian Association. The symbol of the club is the blue triangle; the base standing for spirit, and its two sides for health and knowledge.

Outstanding events for the year include a party held on October 10 in the high school gym, the serious initiation held on October 19, and the Northern Indiana Girl Reserve Conference held at Elkhart on February 17. At Christmas we sent gifts to Japanese Americans living in relocation centers.

We seniors sincerely hope that we have been true to our slogan and have lived up to our purpose and can do so in future years.

—Virginia Jensen.

BAND

The band of 63 members has had a very successful year under the direction of Mr. Habegger. A chorus and band program was given and the annual joint concert with Bremen was presented both here and in Bremen. On April 21 the band competed in the contest which was held in Elkhart. We were proud to have approximately 55 soloists and ensemblists entering the contest as well as the band. Our last performance of the year was a spring concert given May 11. The band has been made much better this year by the purchasing of some new instruments which included two sousaphones, an oboe, and a French horn. As the year draws to a close we realize that only under the direction of Mr. Habegger could we have had such a successful year.

MONITORS

The Monitors have served faithfully all year. They collected the yellow slips at each hour. Some of them took care of the attendance record for each day in order to ease the work of Mr. Roose.

PATROL BOYS

These boys have stood in rain, snow and heat to direct the paths of children coming to and from school. They did a fine job, indeed, for we had no one injured by car or bicycle while crossing the streets.

LIBRARIANS

These girls and Miss Shively cared for the library all year. They searched for delinquent library material and kept the library well organized and useful. Not only did they supply us with reference material but also with current periodicals and books for pleasure reading.

First Row: Paul Bourne, Arthur Schwartz, Juanita Hamman, Miss Barnard, Sponsor; David Widmoyer.
Second Row: Dewey Eppley, Roger Boomershine.

DEBATE

Our season opened with practice sessions of debate here at school. In December we went to South Bend for a practice debate conference at Central High. Here we met teams from North Judson, Riley, Central, Fort Wayne, John Adams and Laporte.

On Feb. 9 we accepted an invitation from Central S. B. to debate before their senior high school assembly. Our affirmative team met their negative team. No decision was given. On this trip we also went out to the Notre Dame library for material. Then on Feb. 24 we again went to South Bend for the Conference debate.

All of us enjoyed this year's work very much and we had good times on all our trips with Miss Barnard.

Our teams consisted of:

AFFIRMATIVE—Roger Boomershine, Juanita Hamman.
Alternate—David Widmoyer.

NEGATIVE—Paul Bourne, Arthur Schwartz.
Alternate—Dewey Eppley.

VARSITY BASKETBALL

On February 16 the Bulldogs concluded the basketball schedule with a record of eight victories and ten defeats. Although this can not be termed an outstanding performance, our team did "accentuate the positive" in nearly every encounter this year and thus treated the fans to some thrilling basketball.

The season was highlighted with wins over Kendallville, Washington of South Bend, Laporte, and Wakarusa. The Kendallville game will probably be remembered as the most thrilling encounter of the year. Both teams performed like veterans throughout the contest, but late in the third period the Bulldogs found themselves trailing by ten points. It was at this stage of the game that Kenny Middaugh put on a long range shooting exhibition which sparked the Nap team to a 41-40 victory. On December 8 the Bulldogs turned in another splendid performance and downed a strong Washington of South Bend team for the first conference win of the season.

The team had its toughest break on December 30 when seven of its first twelve members were hospitalized following a holiday auto accident. Three of these boys, Kenneth Walters, James Lentz and Charles Stump were not able to return to the squad. It appeared at the time that the "tough luck" Bulldogs had almost been eliminated for the rest of the season but they responded by bouncing back with a ferocious attack in nearly every remaining contest. The latter part of the season the Nap quintet turned in two splendid performances by downing both Laporte and Wakarusa. At Laporte the Bulldogs edged out one of last year's state finalists by a score of 33-32, and on February 13 gained sweet revenge by trouncing a none too weak Wakarusa team 47-27. At the sectional tournament the team advanced to the semi-finals before being eliminated by the Jimtown sectional champions.

BASKETBALL

COACH—Mr. Weddle, our new coach, put new life into the basketball team. This is shown by the record of the team's work this year. The boys enjoyed working with him and the whole school is looking forward to an even better season under his coaching next year.

MANAGERS—"Doc" and "Louie," our loyal managers deserve a share of the glory usually given the team. They did a fine job and will be with us again next year.

CHEERLEADERS — These girls led our cheering section faithfully throughout the season.

◆ ◆

Louis Cripe, Mr. Weddle, Eugene Sponsellor.

Jane Lou Bigler, Patsy Hare, Betty Strang

SECOND TEAM

The B squad, composed largely of freshmen and sophomores, played a strenuous schedule this year. The pups won seven consecutive contests before falling in a non-conference game to Goshen. In conference play the squad had an even break with the larger schools, and won five out of ten games. The team had a successful season, winning eleven of eighteen contests. The record would have been even better if the Pups had not been handicapped by the loss of several players to the varsity following the holiday accident.

◆ ◆

Seated: Joe Bill Geyer, Jack Milleman, Harold Hershberger, Jim Mellinger, Gordon Neterer, Benny Housouer.

Standing: Eugene Sponseller, Mgr.; Owen Lemna, Robert Crowe, Carl Lemna, Philip Cripe, Mgr.; Mr. Weddle, Coach.

TRACK

Possessing the greatest strength in three years, our 1945 squad, with "Pat" O'Neal as coach, turned in a good record for the season.

The modern **PORTA-BILT** Kitchen is a pleasant practical room that expresses the taste and good judgment of the discriminating owner. It may be a severe "clinical" room or a colorful, frivolous one; it may be a compact nook or a spacious counterpart of the Colonial American kitchen that staged the good and abundant living we know as the "American Way of Life". Whatever the architectural requirement, **PORTA-BILT** fulfills the need, and with the fulfillment goes the assurance of shorter kitchen hours, and easier kitchen tasks; the fullest measure of satisfaction, pride and enjoyment.

A New Freedom of Speech . . .

Sixty-nine years ago last March, the first spoken words were successfully transmitted over the telephone.

The telephone gave a new meaning to freedom of speech. It made men free to talk to the whole world . . . breaking down boundaries of distance . . . overcoming natural obstacles.

Still serving the cause of freedom, the telephone industry is tirelessly working to help speed the day when it can resume its true functions of serving peace and progress.

Gutch met Mrs. Weddle one afternoon on the street.

He asked: Why are you rushing about like this on a hot day?

I'm trying to get something for my husband, she said.

Gutch laughed and asked, Had any offers?

Roberta: Dale, you haven't kissed me for three days.

Dale (absentmindedly): You don't say! Then who have I been kissing?

Boss: Doug. I wish you wouldn't sing at your work.

Doug: I wasn't working sir, I was just singing.

Waiter: The blue plate special is 80 cents sir, the white plate special is 85.

Boonie: Why's that? Better food or more food?

Waiter: Neither one, sir—we have to wash the plate.

REGARDLESS OF YOUR ABILITY

A good impression right from the start counts a lot. Naturally, your appearance . . . more than anything else . . . keynotes the impression you make . . . for folks remember what they see. So, if you want 'em to remember you as a man or boy of taste and distinction who makes a first impression . . . stop in and see us. We've spent years in South Bend, helping men and boys do just that.

Bob: Why's that guy under arrest?"

Jerry: He's wanted in Chicago—he's a crook.

Bob: Cripes, why do they want any more crooks in Chicago?

Mr. Holaway: Have you heard of Julius Caesar?

Juanita: Yes, sir.

Mr. Holaway: What do you think he would be doing if he were alive today?

Juanita: Drawing an old-age pension.

Mr. Mullett: What do you want? I fired you two weeks ago.

Fern: I came back to see if you were still in business.

Jerry: Did you tell her you weren't worthy of her?

Cash: I was intending to, but she told me first.
